Already renowned for its magnificent beaches, Phuket's attractions are plentiful. The remarkable and breathtaking limestone mountains of Phang-Nga Bay, the stunning coral beaches of the Similan Islands, and the soaring cliffs and pristine waters of Phi Phi Island are all in the vicinity.

Swissôtel Phuket is nearby to Patong Beach, noted for its great shopping, lively nightlife and watersports. Apart from the recognised tourist spots, Phuket also has some hidden treasures. Visitors are well advised to hire motor-bikes or a car and discover the natural beauty of the island.

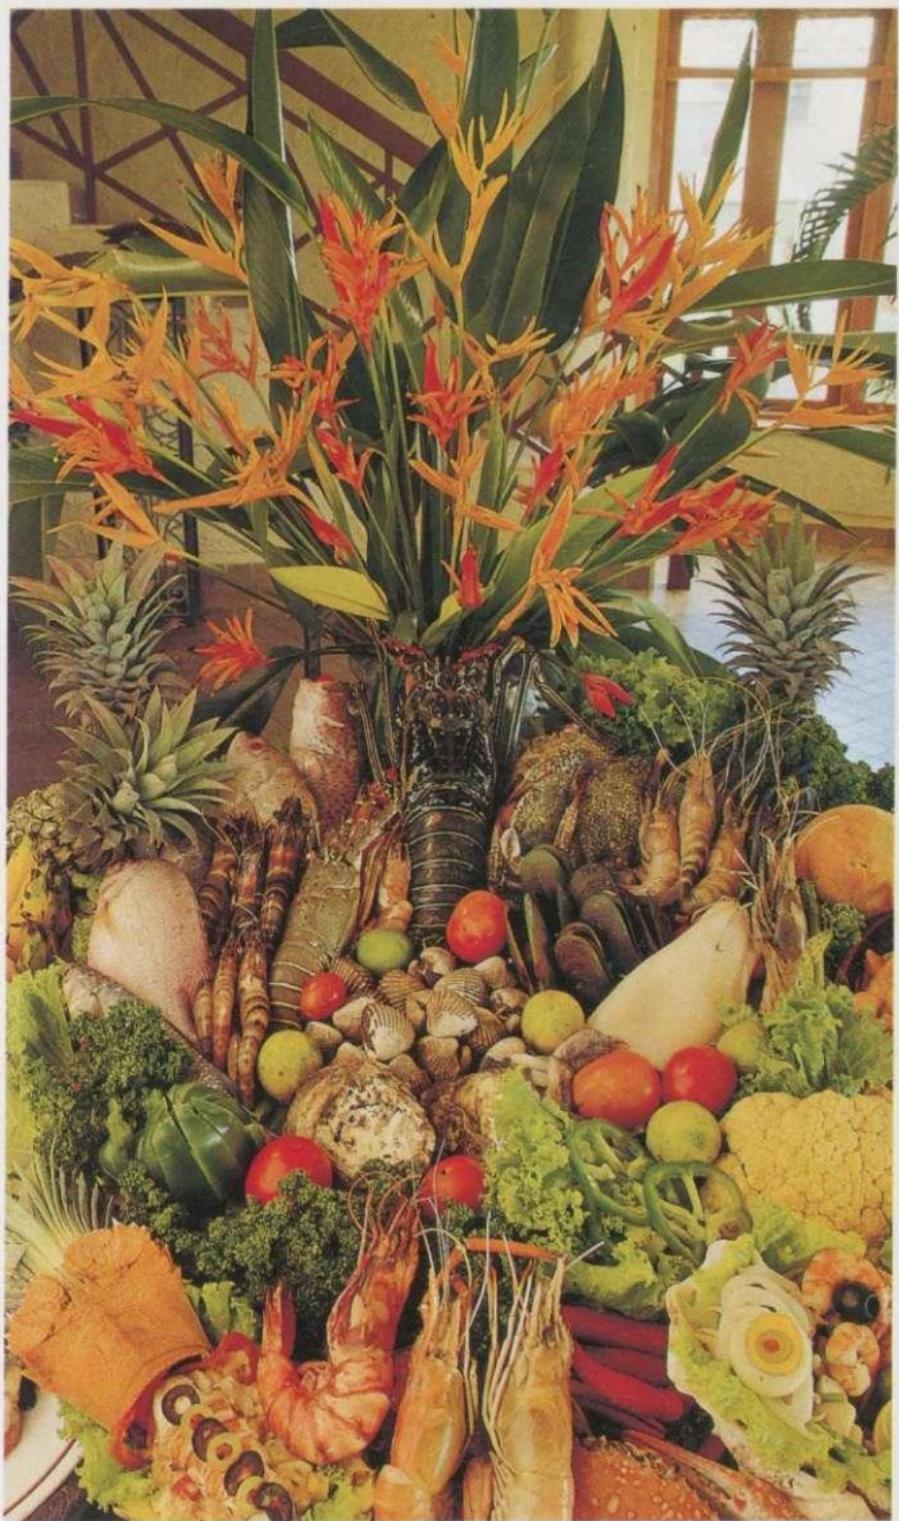

Luxury on one of paradise's most famous beaches

Swissôtel Phuket has 81 elegant rooms and suites, with 45 additional rooms and another swimming pool to be completed by early 1996.

Swissôtel, Swissair & Crossair: perfect partners

When you check in at your Swissôtel you can expect the same friendly welcome and reliable service that you have experienced on your incoming Swissair or Crossair flight. All are owned or operated by Swissair, and share a dedication to providing the highest standards of comfort and convenience to the international traveller. Apart from Montreux, Phuket and River Kwai every Swissôtel city is served by either Swissair or Crossair. Time and again Swissair's quality service has received high praise from passengers and travel agents in comparative surveys of international airlines. While

Swissair links continents with flights to 116 cities in 69 countries, Crossair is Europe's leading regional airline. Its fleet of modern short-haul aircraft flies to 48 destinations, connecting cities which are not served by major international airlines. The American magazine »Air Transport World« and Britain's »Executive Travel« have each twice selected Crossair as the world's best regional airline. You will recognize the Swissair connection in the new aircraft livery, which shows the familiar red logo of the parent company against a blue background representing Europe.
